Ballet For Figure Skaters

Who: Skaters over the age of 6 and at the Skate 4-5 level and above.

What: Skaters will learn the fundamentals of classical ballet that will help further their skating development as well as establish body awareness and flexibility. This is your opportunity to work on skating elements on dry land and in front of mirrors so they get a visual concept of their body placement.

When: Saturdays 11:00 am - 12:00 pm

Where: Fitness Center ballet room

Cost: \$18 drop-in or \$16 per class for pre-paid semester. This class runs concurrently with regular skating school classes.
